The organization understands that a positive environment in which all members feel safe, comfortable and accepted is the most effective and fun way to experience the sport of Track and Field. Please note this **CODE OF CONDUCT** was developed in accordance with the Codes of all sanctioning bodies and associations of the Clubs, which may have their own code of conduct to which all members are also expected to adhere.

While participating in any activity or event that is associated with an Etobicoke Track and Field Club, all members including Athletes, Parents and Coaches are expected to adhere to the standards of behaviour outlined below.

- iii. Show proper care and regard for Club property and the property of others.
- iv. Treat all participants in sport with dignity and respect at all times, and particularly when there is a disagreement.
