

Notes from the Board:

- Our **Grand Opening** was held on May 4th/2019 and was a huge success! We thank our special guest Boris Wrzesnewskyj for assisting in the official ribbon cutting ceremony.
- Changes are pending in the structure and membership of the Board.
- We will soon have an additional contact phone # for the new office.
- Our present priority is to continue organize and market our summer camp.

Athlete Profile: Hayley Manners

Hayley presently attends Richview Collegiate and was presented with our Senior Female Athlete of the Year award. She will be pursuing her post-secondary education and her D1 Track and Field dreams @ Central Michigan University in the fall.
Congratulations Hayley!!

Coaches Corner: Trevor Da Silva

Trevor is a former 400m National level sprinter, who has been coaching with Etobicoke Track for over 20 years. He has trained countless High school, Provincial and National medalists. With a background in Kinesiology, work experience correcting motion mechanics, and years of observing and stressing form and efficiency, he has helped countless athletes to their absolute best.
(Seen here with Kristina Tchmouak, National Youth Champion, Hammer Throw)

Volunteers of the Month: Michelle and Jeff King

These 2 were our all-star helpers during the preparation of our new Headquarters for the Grand Opening! They assisted with painting, ensured that we had window coverings secured and working properly, While Jeff did all of the baseboard work-
Thanks guys.

Volunteer Opportunities – Contact us @ 416-258-2888

Bingo volunteers are always needed! All that it requires is attending a 1 hour training event, and then a small commitment over the year of 1 or 2 Bingo (2 hour) sessions only. We receive a significant boost in funds from the OLG Bingo for our participation in this program. Please Volunteer

Events:

Our Club was honoured to organize and host the Athletics/Track and Field component of the Special Olympics Invitational Youth Games, held in Toronto at Varsity Stadium May 14-16; completing 8 months of preparation.
